Importance: High

Good morning Rafael,

Hope all is well.

Can you please get back to me on the following?

1. Did you access the test report from the below email? Have you received the CD's of the reports?
2. What is the timing of getting approval?

Please feel free to call me also Rafael.

Thank you very much and have a good weekend.

Dear Dr. Sanchez,

Below is the link to the FPI/Regency Fireplace test report for the Model F2500 wood heater. Please contact me you have any questions or concerns.

A CD of both the CBI and Non-CBI reports will be sent via priority mail as well.

Kind Regards,

John Steinert
